Autorama®

Invites you to join us for the

Future Of Hot Rodding

Friday, March 2 at 3pm • Cobo Center, Meeting Room 141 (atrium level)

The Detroit Autorama is pleased to announce that it is again hosting a forum on the Future of Hot Rodding at it's 66th Annual show March 2-4. The forum panel will feature the nation's top builders including: Mike and Jim Ring from the Ring Brothers, Bobby Alloway from Alloway's Hot Rod Shop, Jesse Greening from Greening Auto Company and Kyle Tucker from Detroit Speed and Engineering. These builders will be taking audience questions and discussing the latest trends, builds and direction of the aftermarket vehicle industry. Sponsored by the Specialty Equipment Manufacturers Association (SEMA) and the Hot Rod Industry Alliance (HRIA), and moderated by John Mcleod from Classic Instruments and Rick Love from Vintage Air.

The forum will take place Friday, March 2 at 3pm in meeting room 141 on the atrium level of Cobo Center. It is offered to all exhibitors and the public who purchase a ticket to the show at no additional charge. Autorama urges you to take advantage of this unique opportunity to participate in the forum, meet some of the leading builders in the custom car industry and gain first hand knowledge on the latest happenings in the hot rod industry.
